CITY OF ST. REGIS PARK NEWSLETTER November 2018

Number 11

Dear Citizens:

I hope this finds all of you doing well. To be candid with you, this will be the shortest Mayor's letter that I have ever written. Everything in the city seems to be going well. We have an excellent council and city employees, processes are in place and things are running smoothly.

As the Holidays quickly approach I would like to remind you of a few items. This year's annual **St. Regis Park Holiday Extravaganza** will be held on Sunday, **December 9th**, from **4:00 to 6:00 PM** at **St. Andrew United Church of Christ, 2608 Browns Lane**. Food, Refreshments, a visit from Santa and good old family fun and fellowship will occur.

Also, as some of you new to the neighborhood may not know, **Boy Scout Troop 386** annually sells live Christmas Trees at St. Andrew United Church of Christ. Sales run from **Late-November through mid-December**. If you're planning to purchase a cut tree, support the Boy Scouts of Troop 386. Proceeds go for summer camp, adventure trips and camping gear.

As Thanksgiving approaches, it provides us the opportunity to be thankful for what we have and to support those less fortunate. I encourage all of you to enjoy your friends and family as you gather around the dinner table. Life is short and you may have a chance to be with people this year that won't be here next year. On a personal note, I am very thankful to our City staff and Council Members, all of whom are committed to working together to make a positive and lasting contribution to the City of St. Regis Park. I am indeed fortunate to serve with such dedicated individuals who truly care about our community. I am confident that together we will continue to achieve remarkable things.

On behalf of the City of St. Regis Park, I wish you all a Happy Thanksgiving and **Remember, the City of St. Regis Park is a great place to live. Together, we will make it even better!**

Sincerely,

Brandt Davis, Mayor

CITY OF ST REGIS PARK, KENTUCKY
ORDINANCE NO. 3, SERIES 2018
AN ORDINANCE REPEALING AND REPLACING CHAPTER 70
OF THE CODIFIED ORDINANCES REGARDING PARKING

WHEREAS, The City Council has determined that many sections of its parking ordinances have been changed over the years, but without an overall review of the entire chapter of ordinances and this has led to inconsistencies and needless repetition,

AND WHEREAS, the City has conducted a complete review of its parking ordinance chapter and desires now to repeal all of its current Chapter 70 and replace it with an updated and revised chapter that corrects inconsistencies, deletes repetitive language and uses easier to understand and clearer language,

NOW THEREFORE, BE IT ORDAINED BY THE CITY OF SAINT REGIS PARK, KENTUCKY:

SECTION 1: Chapter 70 of the City of St. Regis Park codified ordinances concerning parking is hereby repealed and replaced as follows:

§ 70.01 MANNER OF PARKING.

- (A) It shall be unlawful for the operator of any vehicle to stop or park the vehicle in a manner other than with its right-hand side toward and parallel with the curb.
- (B) No vehicle shall be parked or left standing on any street unless its two right wheels are within one foot of and parallel with the curb, except that on one-way streets where parking is permitted on the left side, the two left wheels are to be within one foot of and parallel with the curb.

§ 70.02 LIMITATIONS OF STOPPING AND PARKING.

- (A) No person shall stop or park a vehicle, except when necessary to avoid conflict with other traffic or in compliance with the directions of a police officer or traffic control device, in the following places:
 - (1) On a sidewalk or on a driveway blocking a sidewalk;
 - (2) In front of a sidewalk ramp providing for handicapped access;
 - (2) Within an intersection;
 - (3) Within a crosswalk;
 - (4) At any place where an official sign prohibits parking;
 - (5) Within 30 feet upon the approach to any flashing beacon, stop sign or traffic control signal;
 - (6) Within 15 feet of each side of the approach to any fire hydrant;
 - (7) Any place the curb is painted red or yellow;
 - (8) In any manner that will affect the normal flow of traffic.
 - (9) On any bridge, overpass or causeway;
 - (10) In front of any public or private driveway;

 - (12) Park or stop a vehicle in a space reserved for the handicapped without the proper permit;
 - (13) Backed to the curb.

- (B) The maximum number of vehicles permitted on any residential lot in the city shall be:
- (1) Five passenger vehicles (pick-up trucks, vans and other vehicles not exceeding 6,000 pounds GVW shall be considered as a passenger vehicle); and/or
 - (2) One recreation vehicle (motor home/camper or travel trailer) parked in compliance with this chapter.
- (C) No commercial or similar vehicle, school bus nor any farm or construction equipment (machinery) shall be parked or displayed in the front, side or street side yard of any residence. Commercial vehicles shall be considered vehicles with a gross vehicle weight of over 6,000 pounds.
- (D) The following are exceptions to this chapter:
- (1) Motor vehicles when required to stop in obedience to the provision of any section of the Kentucky Revised Statutes or any traffic ordinance, regulation, or sign or the command of any police officer.
 - (2) Vehicles operating in the city as service providers, such as common carriers for goods or passengers, service vehicles such as garbage trucks and other service providers and school buses taking passengers on such vehicles or discharging passengers therefrom, provided that no such vehicles shall stop for such purpose at a place on the roadway which does not afford reasonable visibility to approaching motor vehicles from both directions.
 - (3) Vehicles may be backed to the curb when loading and unloading provided that the loading and unloading and delivery of property and material shall not consume more than 30 minutes and provided it does not interfere with the use of the roadway by moving vehicles or occupies road space within ten feet of the center line of the street.

§ 70.03 RESTRICTIONS AND PROHIBITIONS ON DESIGNATED STREETS.

- (A) The city shall determine on what streets or portions thereof stopping or parking shall be restricted or prohibited. Whenever under authority of or by this traffic code or any other ordinance any parking limit is imposed, or parking is prohibited on designated streets, or parking areas are restricted to handicapped parking, appropriate signs shall be erected giving notice thereof. However, in lieu of erecting signs or in conjunction therewith, the face and top of a curb or curbs at or adjacent to which parking is prohibited at all times may be painted a solid yellow color. No regulations or restrictions shall be effective unless the signs have been erected and are in place or the curbs are painted yellow at the time of any alleged offense, except in the case of those parking restrictions which by their very nature would not require the signs and markings.
- (B) The provisions of this section prohibiting the stopping and parking of a vehicle shall apply at those times herein specified or as indicated on official signs except when it is necessary to stop a vehicle to avoid conflict with other traffic or in compliance with the directions of a police officer or official traffic-control devices.
- (C) The provisions of this section imposing a time limit on parking shall not relieve any person from his duty to observe other and more restrictive provisions prohibiting or limiting the stopping or parking of vehicles in specific places or at specified times.

§ 70.04 PARKING RESTRICTED TO ALLOW STREET CLEANING.

The city is authorized to designate street cleaning areas and shall provide suitable signs and markings on the street to be cleaned, restricting parking on that particular day. It may be unlawful for the operator of any vehicle to stop on any street so designated.

§ 70.05 PARKING IN EXCESS OF CERTAIN NUMBER OF HOURS PROHIBITED; TOWING AUTHORIZED.

(A) No vehicle shall remain on the street for a period of 24 consecutive hours. This section shall not apply to a vehicle that has been disabled on the main traveled portion of the roadway for 48 hours or less.

(B) Any vehicle left parked in any one place on any of the public ways or streets of the city for a period of 24 hours or longer shall be deemed abandoned and shall be subject to all existing regulations of the city pertaining to abandoned motor vehicles.

§ 70.06 OWNER RESPONSIBILITY.

If any vehicle is found illegally parked in violation of any provisions of this subchapter regulating stopping, standing or parking of vehicles, and the identity of the driver cannot be determined, the owner or person in whose name the vehicle is registered shall be held prima facie responsible for the violation.

§ 70.07 RECREATIONAL VEHICLES.

(A) No watercraft or watercraft trailer, utility trailer, recreational vehicle, motor home, bus, tractor, trailer or camper shall be parked or stored in a front, side or street side yard or on the street; except that it may be parked or stored ten feet behind the rear wall of the residence on a hard surface of asphalt or concrete, or in a garage. No recreational vehicle shall be used for living, sleeping or housekeeping purposes when parked or stored on a residential lot or in any location not approved for the use. No vacant lot shall be used for the storage of any watercraft, recreational vehicle, motor home, bus, tractor, trailer or camper.

(B) No parking, loading or unloading of recreational vehicles or equipment shall be permitted on any residential street; and no off-street parking, loading or unloading area including maneuvering areas and aisles shall be permitted within the required front or street side yard of any lot with a principal building. Short time parking is permitted for the sole purpose of loading or unloading, the time not to exceed four hours. No vehicle covered by this section shall be parked on any city street between sunset and sunrise.

(C) For purpose of this section, recreational vehicles or equipment is defined as including boats and boat trailers: travel trailers, pick-up campers or coaches (designed to be mounted on automotive vehicles), motorized dwellings, tent trailers and similar vehicles, and cases or boxes used for transporting recreational equipment, whether occupied by the equipment or not. Pick-up trucks with campers

attached, or similar vehicles, which are used for normal work-day transportation are excluded from the definition while in regular use for such purposes. A visitor's permit valid for seven days permitting parking of a recreational vehicle on a driveway may be obtained from the Building Coordinator for a fee of \$2.

§ 70.08 IMPOUNDMENT OF VEHICLES AUTHORIZED; REDEMPTION.

- (A) All police officers, or City Citation Officer, are empowered to authorize the impoundment of a vehicle violating vehicle-related ordinances after a citation has been issued.
- (B) A vehicle slated for impoundment will be tagged and placed under control of the Police Department. Should a vehicle be moved without the consent and approval of the Police Department a warrant shall be issued immediately for the violator's arrest.
- (C) All fines, fees and charges must be paid in full before a release of impoundment can be issued for the vehicle's release.

§ 70.09 REQUIRED NOTICE TO OWNER.

- (A) When a motor vehicle has been involuntarily towed or transported pursuant to order of police, other public authority or private person or business for any reason; when the vehicle has been stolen or misappropriated, and its removal from the public ways has been ordered by police, other public authority or by private person or business; or in any other situation where a motor vehicle has been involuntarily towed or transported by order of police, other authority or by private person or business, the police, other authority or private person or business shall attempt to ascertain from the State Transportation Cabinet the identity of the registered owner of the motor vehicle or lessor of a motor carrier as defined in KRS Chapter 281 and within ten business days of the removal shall, by certified mail, attempt to notify the registered owner at the address of record of the make, model, license number and vehicle identification number of the vehicle, of the location of the vehicle, and of the requirements for securing the release of the motor vehicle.
- (B) If a vehicle described in division (A) above is placed in a garage or other storage facility, the owner of the facility shall attempt to provide the notice provided in division (A) by certified mail to the registered owner at the address of record of the motor vehicle or lessor of a motor carrier as defined in KRS Chapter 281 within ten business days of recovery of or taking possession of the motor vehicle. This notice shall contain the information as to the make, model, license number and vehicle identification number of the vehicle, the location of the vehicle, and the amount of reasonable charges due on the vehicle. When the owner of the facility fails to provide notice as provided herein, the motor vehicle storage facility shall forfeit all storage fees accrued after ten business days from the date of tow. This division (B) shall not apply to a tow lot or storage facility owned or operated by the city.

§ 70.10 SALE OF VEHICLE.

Any person engaged in the business of storing or towing motor vehicles in either a private capacity or for the city who has substantially complied with the requirements of § 70.14 shall have a lien on the motor vehicle for the reasonable or agreed charges for storing or towing the vehicle as long as it remains in his or her possession. If, after a period of 45 days, the reasonable or agreed charges for storing or towing a motor

vehicle have not been paid, the motor vehicle may be sold to pay the charges after the owner has been notified by certified mail ten days prior to the time and place of the sale. If the proceeds of the sale of any vehicle pursuant to this section are insufficient to satisfy accrued charges for towing, transporting and storage, the sale and collection of proceeds shall not constitute a waiver or release of responsibility for payment of unpaid towing, transporting and storage charges by the owner or responsible casualty insurer of the vehicle. This lien shall be subject to prior recorded liens.

§ 70.99 PENALTY.

- (A) Any violation of this ordinance shall subject the offender to a civil penalty in an amount equal to the minimum fine prescribed by this ordinance. Such civil penalty may be recovered by the city in a civil action in the nature of a debt if the offender has been cited for the ordinance violation. The civil penalty may be used as an alternative to or in conjunction with the criminal penalties authorized.
- (B) Any person receiving a citation for any parking violation in the city shall be deemed to have committed a violation and shall be fined in an amount not less than \$20 nor more than \$100.
- (C) Any vehicle abandoned or illegally parked on the public ways may be removed at the direction of the city to a tow lot designated by the city. The vehicle may be reclaimed by the owner at the owner's expense including all towing and storage charges and payment of all fines imposed by the city.

SECTION 2: This ordinance shall take effect upon passage and publication as required by law.

May We Give You a Tree...Please?

Your tree board is so happy with the progress we are making in improving and restoring our tree canopy, but 250 trees into our work, we are still only halfway to our bare-minimum goal of planting 500 trees. If you have not added a tree, maybe it is for one of the following reasons—and we have responses to all.

- Issue: I don't want to have to go around a tree when I mow.
Answer: We can extend your landscaping around the house and incorporate a medium-sized tree, so your mowing remains the same.
- Issue: I don't want to rake leaves.
Answer: See last month's Branching Out for all the choices in leaf removal. And trees grow slowly, so it might be the next owner who has to rake the leaves.
- Issue: I just don't want to fool with it.
Answer: There are so many benefits to having a tree in your lawn that they completely outweigh any work they produce.

 - A mature tree can add \$5-10,000 worth of value to your home
 - Mature trees shade your home, lowering your energy bills substantially`
 - Trees can reduce your maintenance time and expenses by shading your home and protecting painted surfaces
 - Trees produce oxygen, helping us breathe—one of my favorite pursuits
 - Trees provide cooling shade to everyone walking past your home

So won't you help yourself, and let us plant a tree for you? For free? The tree or trees can go in your front, side, or back yard. You'll have input into size and features, based on tree availability. **Our next tree planting is coming up soon!. Overwhelm us, please! Order your tree this week for Fall planting!**

As a resident of St. Regis Park, I agree to give the City of St. Regis Park (and its agents) my permission to enter my premises for the purpose of planting trees and release them from liability for same and further agree that any and all future maintenance of any planted tree or trees is my responsibility. I agree to maintain my new tree(s) to the best of my ability using the guidelines provided by the city arborist. [Summary: I will ensure that my tree(s) receive a regular thorough soaking of the soil in the root zone, and that the soil is kept consistently moist (but not wet) until the tree is well established. I will ensure that my tree(s) maintain a healthy 2-3 inch layer of mulch, with a 2-3 inch non-mulched space around the trunk.]
