### November 2020

Volume 22

Number 11

Dear Citizens,

I hope this finds all of you doing well. Our November council meeting will be:

November 3, 2020 at 7:00 PM Eastern Time (US and Canada)

Meeting ID: **897 4813 1123**

Passcode: **624547**

Phone In: 888-788-0099

Register in advance for this meeting:

<https://us02web.zoom.us/meeting/register/tZ0qc-GprTorGNePVpmfaFsZBBazyWbETzp9>

After registering, you will receive a confirmation email containing information about joining the meeting.

Several of you have asked about trick-or-treating in SRP this year. Some council members and citizens discourage trick-or-treating this year. However, we cannot stop people from trick or treating. So, if you do go out, please follow these steps to help protect yourselves and others and to make sure the experience is fun for everyone: Avoid direct contact with trick-or-treaters; give out treats outdoors, if possible; set up a station with individually bagged treats for kids to take; wash hands before handling treats; wear a mask. In regards to masks, a costume mask is not a substitute for a cloth mask. Do not wear a costume mask over a cloth mask. It can make breathing more difficult. Masks should not be worn by children under the age of 2 or anyone who has trouble breathing. Stay at least 6 feet away from others who do not live with you. Wash your hands. Bring hand sanitizer with you and use it after touching objects or other people. Use hand sanitizer with at least 60% alcohol. Parents, supervise young children using hand sanitizer. Wash hands with soap and water for at least 20 seconds when you get home and before you eat any treats. This and additional information can be found at

<http://www.cdc.gov/coronavirus/2019-ncov/daily-life-coping/holidays/Halloween.html>.

If anyone has any ideas on how we can still have the Holiday Extravaganza in a safe manner or a replacement activity, we would greatly appreciate hearing about it. Feel free to email the city at [stregispark@gmail.com](mailto:stregispark@gmail.com)

Speed cushions were approved at the October meeting. There is an insert later in the newsletter that shows where they and the signage will be placed. The Council is also considering new and improved signage for the speed bumps on Woodmont. Funding has been approved for our next two capital projects - to improve the drainage on Mt. Vernon Road near the creek and to install a new city sign at the corner of Browns Ln and Lowe Rd.

Last, but certainly not least, voting instructions for pre-voting and instructions for voting on election day are included in this newsletter as well. Please make sure to get out and vote.

Remember, the City of St. Regis Park is a great place to live! Together, we will make it even better!

Sincerely,

Brandt Davis, Mayor

There being no further business, Mr. Schweickhardt made a motion to adjourn. The motion was seconded by Ms. Willet and it passed without dissent. The meeting adjourned at 7:54pm.  
 Submitted by Bill Hodapp, City Clerk  
 (These Minutes are considered unapproved until signed by Mayor Brandt Davis.)

Due to the COVID 19 health emergency, the City of St. Regis Park is conducting its regular City Council meetings via video teleconference. This is occurring under the authority of Kentucky Revised Statutes Section 61.826 and the orders of the Governor of Kentucky. Residents and news media may view the video teleconference meeting and the log in information for each meeting will be posted and distributed, so that any person or member of the media wanting to participate may participate.

Jeff Weis first lived in St Regis Park as a child from 1979 until 1991. After graduating from Ascension, St Xavier High School and then the University of Louisville, majoring in finance, he returned to the neighborhood in 2009 with his daughter. He volunteered on several boards and committees at Church of the Ascension for over a decade including Finance Committee, Parish Council, Marketing Committee, Athletic Board and Tuition Assistance Committee. He works at Fedex Express. He believes that given the strong balance sheet with over \$1,000,000 in current assets the city should grant a property tax holiday next fiscal year.

Hello, neighbors:

My name is Javan Roy-Bachman and I'm writing to explain why I should represent you on the City Council.

In life, I left the small town where I grew up and lived in some great cities around our country and the world. I grew up in Topeka, Kansas, where some of my first memories included working summers around animals and on farms. I was one of very few men to attend Stephens College for Women in Columbia, Missouri, and I continued on to Santa Clarita, California and earned my Master's degree from the California Institute for the Arts.

After some time spent working in Chicago, Illinois and even as far as Belgium, I moved to Louisville 15 years ago with my wife and baby. Our last move, six year ago, brought me to St. Regis. I moved here because it's a great neighborhood for children – and I've now helped raise 15 children here (more on that later).

I've worked with non-profits for most of my adult life and with the Louisville Department for Community Based Services as a foster parent. These experiences have shown me that until we provide for our citizens who have the least, we cannot move forward as a community.

I will represent St. Regis not just for you as my neighbors, but to show Louisville what our community can offer this city. I will represent our interests and our values. I hope you'll support me in this work, and that I earn your vote.

---

My name is Donald "DJ" Fountain. My wife and I moved to St. Regis Park in 2014 with our three children ages 12, 10 and 9. I have worked as an engineer for over 20 years and am currently an engineering supervisor for the Air Pollution Control District. My experience as an engineer has given me the opportunity to work with many different businesses, organizations, and agencies throughout the community and within the local and federal government. I work closely with the emergency management agency and am a member of the local emergency planning committee. I have learned from this experience how to work cooperatively with various stakeholders and those with differing opinions. It gives me the opportunity to work towards unique solutions trying to take into account others viewpoints. For example, my suggestion of using speed cushions, in place of speed humps, was an effort to consider the concerns of some citizens regarding emergency response times while still ensuring safe streets for pedestrians and bicyclists. I will continue to listen, keep an open mind, improve, and consider citizens opinions and concerns if elected.

I would like to explore opportunities to build a more inclusive St. Regis Park, especially for those that do not have a church community. I would also like to find ways to help take care of each other during these unprecedented times. I look forward to the opportunity to be of service to the citizens of St. Regis Park. Please consider voting for me in November.

Mathew Sanderfer

I have been a resident of St Regis park for 12 years. I have been married to my wife, Maranda, for 17 years. My wife and I have 4 kids whom ages range from 16 to 8. The oldest attends Mercy High School and the others attend Church of the Ascension. I went to school at Holy Cross and attended Kentucky Wesleyan where I played college baseball. I am a active parishioner at Church of the Ascension. I volunteer as the soccer coordinator and coach for Church of the Ascension school grades JK-2nd. I am a member of the Knights of Columbus.

I am a licensed real state appraiser in the state of Kentucky and Indiana.

This November I am asking for your vote and appreciate your consideration. I will be a good steward of the city's money and value everyone's opinion.

Sarah Stalker is excited to be running for St. Regis city council and is ready to bring her experience and energy to the table. Born and raised in Louisville, Sarah, and her husband moved back in 2005 from Chicago to raise and expand their family and were delighted to move into St. Regis in 2014. As the Director of Community Engagement and Membership at the Center for Nonprofit Excellence, Sarah is already well versed as a community connector, leader, and collaborator. Regularly working with and supporting hundreds of organizations that provide critical resources to our community, she believes the way to a vibrant and thriving community is to know your neighbors and build meaningful relationships with them.

Sarah currently serves on nonprofit boards locally as well as supports and volunteers with many organizations that align with her passions around children, the arts, women empowerment, fair housing, and those experiencing homelessness. Sarah's innovation and creative thinking will provide a multitude of fresh ideas such as collective buying for ongoing home maintenance as well as home improvement projects. Seeing many untapped opportunities to engage and deepen our connection to each other for the betterment of our community, she is ready to accomplish this with intentional outreach, programs and events, and increased comprehensive communications. Sarah is committed to including all voices and encouraging residents to be a more active participant in the vision of a community we can proudly call our own, St. Regis.

My name is Craig Theis and I am seeking a second term as a council person. While I wish I could be out in our neighborhood getting to know each of you personally, instead, I'll share a bit of my background here. With degrees in management and respiratory care from both Sullivan and St. Petersburg Colleges, I utilize my expertise as the Director of Clinical Services for a medical gas manufacturer. Through my position, I am proudly helping battle the COVID-19 outbreak in nursing homes across Kentucky daily.

As a council member, I piloted the Ring doorbell project and voted on measures to increase the security patrols in our neighborhood. As someone who values community presence, I have perfect attendance at city council meetings since my election. I believe in keeping our tax money in the City and providing the best city services possible while also being fiscally responsible. I value transparency and will advocate for more publicly accessible council meetings. Further, I will educate myself wholly on all facets of an issue before casting my vote.

As a ten year resident of the neighborhood, I cherish St. Regis Park and the values and experiences of my neighbors. When I'm not spending time in the neighborhood with my wife and son Nicholas, I will be working for you. I'm excited to serve our city for another term and welcome your vote this November.

Hello, I am Cheryl Willett. I am a current council member and running for re election.

My family moved to St Regis Park the fall of 1968. I grew up on Lincoln Road, when Lincoln dead ended at the creek and Steeplechase was a farm pasture.

I moved back to Lincoln Road in 1992 and bought my parents house. I have raised two sons in the "family" home.

St Regis Park has grown and evolved with the times but it has stayed a great neighborhood to raise a family, to have a sense of community, to actually know your neighbors!

I want to see St. Regis Park continue to be a nice, and safe place to live. Your suggestions are important and I am always ready to listen and pass on information to the Council. If you have a question, I will do my best to get the answers for you.

I have been honored to have served you and this great community. I look forward to continuing work for you on the Council this next term.

Respectfully,

Cheryl M. Willett
