CITY OF ST. REGIS PARK NEWSLETTER August 2021

Number 8

Dear Citizens,

I hope this finds all of you doing well. It is hard to believe, but as you receive this newsletter, it will almost be time for students to return to school. As a reminder, we have resumed in-person council meetings. Our next one will be at the Jeffersontown Fire House on Taylorsville Road at 7 p.m. on Tuesday, August 3rd. All St. Regis Park residents are invited to attend.

In case you missed it in last month's newsletter, we will resume our annual Citywide Yard Sale on September 11th, the first Saturday after Labor Day. This is an extremely popular event that enables you to sell unwanted items and find good bargains from your friends and neighbors.

Thank you again to Councilman Louie Schweickhardt and all the volunteers that placed American flags in front yards for the 4th of July. Our city looked wonderful! Also, as mentioned in last month's newsletter, please make sure while you are out for walks, that you are using proper walking etiquette. Thank you to Councilman John Amback for the "Safe Walking Tips" insert in this month's newsletter regarding this exact item.

Unfortunately, I have to address something negative that has come to my attention once again. One of our neighbors was injured when a dog got loose and bit him. The bite caused our resident to have multiple stitches, nerve damage, and a dislocated thumb which will require physical therapy. In my time of being Mayor, there have been multiple dog bites to which I have been made aware. The City Council and our City Attorney take these incidents very seriously. Moving forward, we will be doing a better job of making sure dogs are walked on leashes (even if they are trained well enough to not be on a leash). Preferably, dogs should be housed indoors or in fenced and gated back yards.

Jefferson County Animal Control advises that you call 911 if you see what is known to be vicious dog that is wandering the neighborhood. No more friendly warnings in this regard. Our Citation Officer has been instructed to issue citations the first time he sees an animal that is in violation of leash or restraint ordinances. Be aware that the unrestrained dog owner is subject to fines and is liable for any damage caused by the animal.

Phone numbers for Jefferson County Animal Control, our Citation Officer, and others can be found in the "Contact Information" corner on the back page of the newsletter. Keep it handy for quick reference should an emergency occur.

I am a proud dog owner myself. Please make sure that you are doing what is necessary to keep your pet and others safe. Remember, the City of St. Regis Park is a great place to live. Together, we will make it even better!

Sincerely,
Brandt Davis, Mayor
Brandt Davis

Procedure for Requesting Reimbursement for Tree Maintenance

1. Using the Maintenance Form from our website, retreethepark.com or from the St. Regis Park newsletter, contact Tree Board member Joe Hinkle by email, joerunjoe@gmail.com, requesting to participate in the maintenance program. If you do not have a form, email Joe, and he will send you one. Please include on your form a description of the problem causing concern and location of the tree on the property.
2. Proceed to get evaluations and estimates from at least two tree services that **ARE BONDED, INSURED, AND HAVE A LICENSED ARBORIST ON STAFF**. Please ask to have the arborist sign the estimate. We have a recommended list below, but others may qualify. If the recommendations are similar, email your two estimates to Joe. If they are not—e.g., one service recommends trimming, the other removal, still email both (or all) estimates to Joe, and he will notify our consulting arborist, who will be the tiebreaker. Her recommendation will determine whether you are eligible for reimbursement of 40% up to \$500 per year. In other words, for example, if Cindi feels a tree can be saved, but you opt for removal, you would likely not qualify for reimbursement.
3. Upon receipt of your estimates, Joe will email you approval to contract with one of your qualified tree services. Be sure to save all of your paperwork.
4. When work is completed, send a copy of the signed estimate/invoice to city arborist (cindihsullivan@gmail.com) and she will inspect the work. She will then email you that the reimbursement is approved, copying the city treasurer and Joe. At this point you may apply for reimbursement, submitting a copy of the invoice to City Treasurer at stregispark@gmail.com, or sending a hard copy to City of St. Regis Park, PO Box 20429, Louisville, KY 40250-0429.

These vendors have an arborist on staff and are insured and bonded. Other companies may also qualify.

Tree Maintenance Request

As a resident of St. Regis Park, I agree to give the City of St. Regis Park (and its agents) permission to enter my premises for the purpose of evaluating the condition of my tree(s) and release them from liability for same.

I understand that licensed arborists and/or our city arborist will approve what work should be done so that I can become eligible for the city's tree maintenance reimbursement program. Sign below and submit by scan or digital photo to joerunjoe@gmail.com or mail to St. Regis Tree Board PO Box 20429, Louisville KY 40250-0429. Briefly describe what you think needs to be done—limb up oak in front yard, evaluate maple in back yard, etc.

St. Regis Park Citywide Yard Sale
Saturday, September 11th
8 am until ??

**Police Officers will enforce traffic regulations
and extra police will patrol this day!**

ST. REGIS PARK CITY-WIDE YARD SALE SATURDAY, SEPTEMBER 11, 8:00 AM-?

RECOMMENDATIONS FOR YARD SALE DAY

IF YOU ARE PARTICIPATING

-----Try to set up in your driveway or yard close to the street to be more visible.

-----Please park your personal vehicle further up in your driveway so that you do not take space on the street in front of your house and thus help keep the area on the street in front of your home open for traffic and allow parking for buyers coming from outside the City. Any suspicious behavior should be reported immediately.

-----People come early, so plan to set up as early as possible.

-----Extra police will patrol that day. For any problem, contact them immediately and try to get the license plate number and a car description of an offender's vehicle.

-----Join with neighbors and hold a multi-house sale at one location for a larger sale.

IF YOU ARE NOT PARTICIPATING

-----Please park your vehicle(s) off the street, but close to the street to avoid your driveway being used as a turn around point.

-----Report any suspicious or unusual activity to the police patrolling the City during the yard sale.

-----If possible, keep your garage door closed during the hours of the yard sale so that it will not attract attention.

There will be *NO PARKING* on the sides of the streets where fire hydrants are located. "No Parking" signs will be posted on the previous Thursday evening. Police patrols will ticket those vehicles who do not comply.

Safe Walking Tips

Walk Facing Traffic

If there is no sidewalk and you must walk in the street, choose the side where you are facing oncoming traffic. In the United States, this is the left side of the road. Walking opposite traffic gives you the best chance to see vehicles approaching close to you.

Be Visible

Give drivers every chance to see you by wearing bright-colored clothing during daylight hours. Be especially careful near dawn and dusk when the sun is low and blinding. Wear a reflective vest while walking at night.

Keep the Volume Down

Don't drown out your environment when listening to music with earbuds or headphones. Keep the volume at a level where you can still hear bike bells, approaching vehicles, and warnings from others. If you are using ear buds, consider wearing only one so that you can hear your surroundings.

Hang Up and Eyes Up

[Distracted walking](#) due to chatting, texting, or using a mobile device is as dangerous as doing those things while driving. You are distracted and not as aware of your environment. You are less likely to recognize traffic danger, tripping hazards, or passing joggers and bikers.

Walk Dogs on Short Leashes

It is terrifying and tragic to witness dogs running into traffic or getting into a fight. When walking your dog on a long leash there is also a danger that you will trip other walkers or bikers. You will keep your dog safer as well as those who pass by you if you use proper leash walking etiquette.

Teach your Children to be Aware

While on family strolls, never allow your toddlers to run ahead or fall behind. Teach them to avoid unfamiliar animals. Encourage them to be safe pedestrians and make them aware that vehicles might back out of driveways.
