

CITY OF ST. REGIS PARK NEWSLETTER

November 2022

Dear Citizens,

I hope this finds all of you doing well. Our next Council Meeting will be at 7:00 PM on Tuesday, November 1st at Jeffersontown Fire Station #2, 4318 Taylorsville Road.

The City of St. Regis Park was recently asked to contribute a small portion of its American Rescue Plan Act (ARPA) funds to the eight suburban fire protection districts which provide fire and emergency medical services to our city and throughout Jefferson County. The City Council decided at its last meeting to approve the request and provide \$15,520 of the city's total ARPA allocation of \$388,000 to fund premium pay for the fire district employees.

ARPA funds were distributed by the federal government to all cities and counties in Kentucky to cover their costs associated with the Covid-19 health emergency. Since they are independent fire districts that do not qualify as city or county governments, no ARPA funds were directly allocated by the federal government to the suburban fire districts.

Metro Louisville has a city-owned fire department that provides services in the old city of Louisville boundaries. Metro Louisville decided in 2020 to provide premium pay to all its emergency first responders (including its city firefighters), who continued to provide services during the Covid-19 health emergency.

Because the suburban fire district members are not Metro Louisville employees, none received the Metro Louisville premium pay. The suburban fire districts successfully lobbied Metro Louisville to allocate some of their ARPA allocation for their premium pay. Metro Louisville has set aside \$3.7 million, but the money is conditioned upon the other cities in Jefferson County also making a significant contribution.

The suburban fire districts have created a pooled account to collect ARPA contributions from all the cities in Jefferson County to meet the funding condition set by Metro Louisville and finally provide the premium pay for the suburban firefighters. Peer

cities such as Jeffersontown, Lyndon, St. Matthews, Graymoor-Devondale, and many others have also contributed to the pool. At its meeting on October 4th, The City of St. Regis Park voted to do its part by providing what amounts to about 4% of its ARPA allocation.

In closing, I'm pleased to announce that St. Regis Park will have its "Holiday Party" at St. Andrew United Church of Christ, 2608 Browns Lane, on Saturday December 10th from 4 PM - 6 PM. There will be lots of good food, music, and door prizes. Santa is scheduled to stop by, so don't miss out!

Remember, the City of St. Regis Park is a great place to live. Together, we will make it even better!

Sincerely, Brandt Davis, Mayor

Brandt Davis
