CITY OF ST. REGIS PARK NEWSLETTER April 2026

Number 4

Greetings residents, I know you are all as happy as I am that spring has finally decided to set in permanently. I see everyone out working on your exteriors. This is typically the busy time of the year for permits for spring/summer projects you have all been planning. Please make sure to reach out to councilman Matt Sanderfer for guidance on any exterior projects such as garages, decks, fences, additions, playsets, storage buildings, pools, driveways etc. Matt will make sure you are in compliance with the ordinances, or let you know if you need an additional variance.

During our March council meeting we addressed the topic of free advertising in the newsletter for small businesses that kids in our neighborhood have started. Services such as lawn/landscaping, babysitting, dog walking, snow shoveling, etc. are some examples. Everyone agreed to allow free advertising for kids who would like to post their services. If your child is interested, please reach out to council member John Amback for details. We must have written consent from a parent to put any under-age child's contact information in the newsletter.

After nearly 35 years living here in Saint Regis Park, my family and I have decided to move outside of our neighborhood to explore a new adventure. As such, I will be stepping down as mayor effective 3/30/26. The council voted unanimously to appoint council member Laura Lewis to serve out my term through December 2026. As many of you know, Laura is a long-time resident of Saint Regis Park and has served on the council for nearly 3 1/2 years. I have had the privilege of working with her not only on the council, but also on projects she has led at Ascension and Upper Highlands Pool. She will do a great job as mayor.

The council also voted unanimously to appoint Craig Theis to fill Laura's council position through the end of 2026. Craig previously served on the council for several years handling communications and IT related needs. He will be an asset to our city in this role.

I will always cherish the time spent growing up here and later, as a property owner. It has been a pleasure serving our city for the past 14 years. I wish nothing but the best to everyone moving forward. St Regis Park is a great place to live.

Sincerely,

Louie Schweickhardt

TREE CITY USA®

St. Regis Park-- A Tree City USA--Year 11!

It's a Walk in the Park, Year 6!

St. Regis Park is once again a Tree City USA! This year we celebrate our 11th consecutive year of attaining the honor! As always, we are grateful to the Mayor and City Council for their support, and to our citizens for maintaining their existing trees and planting new ones!

Please join us for our annual celebration of Arbor Day and Earth Day!

- Saturday, April 18th, 10:00 AM, Rain or Shine! Meet in front of 4326 Statton Road. There we will honor this year's tree hero, Mrs. Gerri Byron! Mrs. Byron has a beautiful stand of trees in her front and side lawns. The trees were planted by her husband and sons, and they add incredible beauty to her neighborhood.
- We'll follow that with a walk around the oldest portion of St. Regis Park, Statton and Milburn. We hope you will join us to chat with your tree board members and elected officials!
