November Mayor's Report

As we move into November, several improvement projects are underway throughout St. Regis Park.

The installation of our new speed cushions should be completed within the next few weeks. Our sidewalk repair project will continue over the next several months, and we appreciate everyone's patience while this work is completed.

The fire hydrant repainting project is now complete. An interesting fact about fire hydrants is that the colors used on the tops and nozzle caps help firefighters identify how many gallons per minute, or GPM, a hydrant can deliver.

Please visit our Facebook page for a digital version of the newsletter and timely neighborhood updates.

As you prepare for holiday gatherings, please remember that the city has **No Parking Signs** available to help manage traffic flow and keep neighborhood streets accessible.

Our snow-removal company, Bratcher Landscaping, is also offering leaf collection for a fee. Leaves should be placed within the front 10 feet of your curb, in your yard and off the street. To schedule leaf collection, contact **Bratcher Landscaping** at **502-500-8539.**

Finally, don't forget our **Holiday Party on Sunday, December 6, from 4:00–6:00 p.m. at St. Andrew United Church of Christ, 2608 Browns Lane.** We hope you will join us!

Have a wonderful November and a happy Thanksgiving!

Sincerely,

Laura Krebs Lewis

HOME AND AUTO INSURANCE CAN BE EASIER THAN YOU THINK.

One thing I've learned over the years is that most people don't have time to become insurance experts. They just want to know they made right decision to protect the things that matter most.

That's where I come in. Think of me as your personal insurance guide, comparing policies and finding the right coverage so you can feel protected without breaking the bank.
